DeKalb to Hold Public Meeting for Master Plan of Avondale Dunaire Park and George Luther Drive Property

DECATUR, Ga. — The DeKalb County Department of Recreation, Parks and Cultural Affairs will hold a series of public meetings to review the draft plans for Avondale Dunaire Park and the George Luther Drive Property. The first meeting will be held on **Wednesday, July 17, at 6:30 p.m.**, at **DeKalb Watershed Management**, located at **4572 Memorial Drive, Decatur, GA 30032**. The meeting will take place in training room A.

Avondale Dunaire Park sits on approximately 16 acres of land on George Luther Drive, which intersects with Memorial Drive just inside I-285. Adjacent to that parcel is the old, 14-acre Georgia Department of Transportation site, which DeKalb County purchased in 2018.

“These community meetings will provide opportunities for constituents to give their ideas on enhancements to the soccer fields already being used at Avondale Dunaire Park and incorporating the adjacent George Luther Drive property,” said Commissioner Steve Bradshaw. “I look forward to hearing suggestions from constituents.”

In December 2018, Commissioner Bradshaw allocated \$65,000 for a master plan study of the entire 30 acres. That study process includes a community engagement component.

“Once the master planning process has concluded, I stand ready to allocate a significant amount of the remaining District 4 park bonds funds to help make the plan a reality,” said Commissioner Bradshaw.
