## **Commissioner Steve Bradshaw Allocates \$345,000 for Capital Improvements to Needham Park**

**DECATUR, Ga.**— On Dec. 10, 2019, the Board of Commissioners approved an allocation of \$345,000 from Commissioner Steve Bradshaw’s District 4 Park Bond Funds for capital improvements at Needham Park.

Sitting on approximately three acres on McClendon Drive in Scottdale, Needham Park was established in 1930 as part of the J.F. McClendon subdivision.

In 2018, Friends of Needham Park was awarded a Park Pride Visioning grant. After several community meetings were held from November 2018 through July 2019, a Needham Park vision plan was developed with recommendations to address stream and habitat restoration, protection and enhancements; improvements to park access circulation; and seating and community gathering spots.

“I am pleased to make this allocation for the renovation and improvements to Needham Park,” Commissioner Bradshaw said. “Although a small park, Needham Park has and will continue to have a huge impact on the many constituents who use the park for recreation.”

Since taking office in January 2017, Commissioner Bradshaw has allocated nearly \$2.4 million of Park Bond Funds and District 4 Reserve Funds to enhance recreation, parks and cultural affairs in District 4.
