FOR IMMEDIATE RELAEAE

In tomorrow's Board of Commissioners vote for the role of Presiding Officer, I intend to vote for District 6 Commissioner Kathy Gannon. My rationale is as follows:

- For 12 years, as a Super District Commissioner, Kathie has successfully represented a broad cross section of Dekalb County; North/South and Black/White.
- Commissioner Gannon has committed to lead the BOC in a more collaborative way. This approach more closely aligns with the way I prefer to operate.

Over the years, my interactions with Commissioner Gannon have led me to conclude that she is a dedicated public servant and a person of intelligence and integrity. It will be an honor to cast my vote for Commissioner Gannon tomorrow. I look forward to her leadership.

Steve Bradshaw

Commissioner, District 4
