## Commissioner Steve Bradshaw Allocates \$1.4 Million to Help Residents During Pandemic

**DECATUR, Ga.**—DeKalb County District 4 Commissioner Steve Bradshaw has appropriated \$1.4 million to assist 23 nonprofit, community-based agencies in helping DeKalb residents with food insecurities, rental assistance and other essential needs due to the COVID-19 pandemic.

The aid came from District 4 Coronavirus Aid, Relief, and Economic Security (CARES) Act funding.

“Nonprofit agencies play a vital role in society in partnering with government to improve the common good of society,” Commissioner Bradshaw said. “I am confident that the 23 agencies receiving District 4 CARES Act funds will continue the very important work they already doing day in and day out assisting the most vulnerable among us.”
