Commissioner Bradshaw Proposes \$35,000 for Wade Walker Park for Covered Pavilion

DECATUR, Ga.—DeKalb County Commissioner Steve Bradshaw’s proposed allocation of \$35,000 for a covered pavilion at Wade Walker Park was approved by commissioners Sept. 14.

Commissioner Bradshaw, who has visited Wade Walker Park many times, said he is committed to “supporting the allocation of resources that will provide necessary improvements to the Park.”

Wade Walker Park, located at 5585 Rockbridge Road, Stone Mountain, has 177 acres and features street hockey, baseball, softball, football, soccer, multi-use field, tennis courts, swimming pool, playground, picnic area, lake and trails.

“The Wade Walker Park Friends Group members are key stakeholders and have been instrumental in bringing forth recommended improvements for the park,” Commissioner Bradshaw said. “I am grateful for their dedication, persistence and support. These are folks who are committed to the upkeep and enhancements at the park.”

“I am committed to making policy decisions that enhance the quality of life for citizens in District 4,” Commissioner Bradshaw said. “Wade Walker Park is a beautiful jewel in the heart of District 4 and it only makes sense to provide the funds for long overdue improvements.”
